

## Thomas Brothers Build Our Cultural Responsiveness

Thanks to the amazing support from lululemon's Here to Be social impact program, we are delighted that brothers - Yarlalu Thomas (Young West Australian of the Year 2020) and Charlie Thomas, have taken on the role of Cultural Advisors and will be putting into action recommendations made by Fair Game's Aboriginal Advisory Committee to build our organisation's cultural responsiveness. This will include: strengthening our relationships and developing cultural protocols for communities we work in; engaging more Indigenous volunteers and enhancing volunteers' cultural awareness training.

**here  
to be.**

lululemon have been a long term supporter of Fair Game through their Here to Be social impact program which together with its

partners disrupts inequality in wellbeing through movement, mindfulness and advocacy.

## Healthy Dinners Fuel Game On! Sessions in Hedland

Monday night Game On! sessions in South Hedland kicked off again at the start of term 1 in the newly refurbished JD Hardie Centre, thanks to a Town of Port Hedland Community Partnerships Grant. The grant is also allowing us to provide a more substantial healthy meal for the participants. The kids are loving the opportunity to take turns to help prepare the meals in the community kitchen facilities at the Centre and enjoying the air conditioning too!

## Be a Sporting Hero!

Year 6 student leaders at primary schools around Perth are embracing the opportunity to engage their schools in a positive community building project, through Fair Game's 'Be a Sporting Hero' Free Dress Day. Students are encouraged to bring a gold coin donation to come to school dressed as their sporting hero and bring along any unwanted or outgrown sports equipment to donate. They become sporting heroes themselves through their donations which allow other children to enjoy playing sport.

Fair Game Community Partner, the Fremantle Dockers, got behind the program with two of their up and coming players - Caleb Serong and Michael Frederick - making a guest appearance at Willetton Primary School's Free Dress Day to say thank you to the Year 6 Faction Leaders who organised the day with their PE teacher Brendan Gotti.

Many thanks to North Morley, Dianella, Wembley and St Paul's Primary Schools who are also holding a free dress day and a big shout out to the many other schools who have given support to our Recycle &

Donate program through equipment drives in Term 1 including St Hilda's Anglican School, Scotch College, Christ Church Grammar School and Hale.

## New Look Bins for Recycle & Donate

We are excited to unveil our new bin branding. Our Recycle & Donate program is going from strength to strength assisted by the generous support of the Stan Perron Foundation, Impact 100WA - a sub fund of the Australian Communities Foundation, the Tate Family Foundation and Megan and Arthur Criddle at the APS Foundation.

Applying the huge new stickers to the bins has created a challenging new team building exercise in the office, but we are confident they will help build awareness of the program and encourage people to donate. The new look bins are being rolled out in all existing donation locations.

You can find full details of the [locations of our bins](#) on our website and if you would like to organise a donation drive at your sports club, workplace or school please contact us at [recycle@fairgame.org.au](mailto:recycle@fairgame.org.au) and we will be happy to loan you a bin.
